Dear Comrade Breyonna,

YOUR LIFE INSURANCE PROTECTION POLICY

Enclosed in this letter is your personal protection insurance code and sum assured.

As a key member of the PFF this insurance will provide you with a range of benefits should you become incapacitated in your journey towards overthrowing pre-press tyranny. It is underwritten by Printers For The Good Life Pty Limited, a trusted name in our battle to secure improved rights for all hard working printers.

Keep your code secret as it entitles you to a sum assured of \$345670000 and valuable benefits including :

- Competitively priced innovative digital equipment and resources to reduce stress and long working hours.
- Free access to specialist consultants to advise you on better meet customer demands.
- The latest revolutionary thinking to seamlessly integrate your input and output and enhance profits.
- A pathway to the printers paradise where you can relax in the knowledge you have secured the future.

Should you find your suffering injury to your bottom line or are losing the ability to make money we recommend you activate your PFF insurance immediately.

We are pleased to support our members in return for their support of the PFF. Together we shall unlock the value of every document.

Yours Faithfully

Darryl Sure
On behalf of the PFF Central Committee.

Breyonna your security code is 481481
