Vicky - 00001

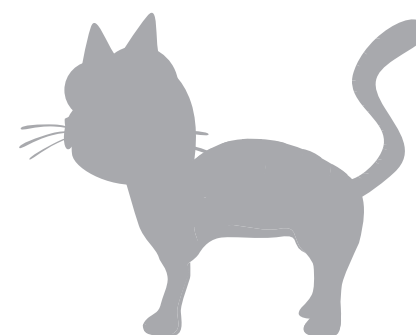

Can you help my friend
Charlie find his missing
bone...?

I'm sure those
bones belong to
me...!

What animals do you
see and where do they
live?

Check where the
animals live by placing
your magic paper over
the panels.

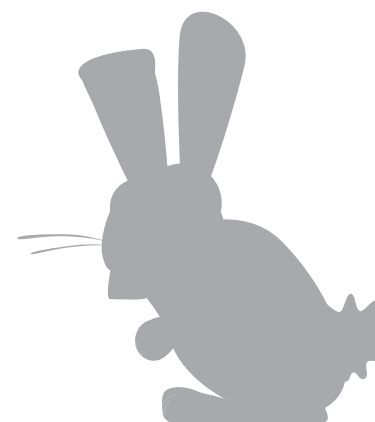

A _____ lives
in a _____.

house

A _____ lives
in the _____.

kangaroo

A _____ lives
in a _____.

hutch

Elephants have good memories. Can you remember what animals you have seen in this book?

**Use your memory
Vicky...**

Follow the correct route through the maze and count how many bones you collect.

How many bones did you pass?

12

**Hello Vicky, I've left
you a secret message on
the opposite page. Lay
the magic paper over
the green panel to
reveal the message.**

**I could be a
secret agent...**
